

CALL FOR ABSTRACTS

Michigan Space Grant Consortium Fall Conference, Saturday, November 10, 2018

DEADLINE FOR REGISTRATION/ABSTRACTS – OCTOBER 22, 2018

[Submit abstracts online during registration using the MSGC Fall Conference webpage](#)

Thank you very much for your interest in attending the MSGC Fall Conference. Abstracts are being solicited for oral and poster presentations that detail MSGC ongoing or previous programs (Fellowship, Pre-College Education, Public Outreach, Teacher Training, Research Seed Grant, and K-12 Educator Incentive programs) as well as non-MSGC-supported but related activities and research/development. Abstracts must be submitted online during the conference registration process on the MSGC website. They will be compiled into a conference proceedings volume that will be distributed on the day of the MSGC Fall Conference.

ABSTRACT SUBMISSION – FURTHER INFORMATION:

- During the registration/abstract-submission process, note preference for oral or poster presentation. Every effort will be made to accommodate preference, but an oral presentation cannot be guaranteed. An easel, a foam core board (32 inches x 40 inches) and tacks will be provided for poster presentations.
- An email confirming abstract submission will be sent; session assignment will follow later.
- Submission of an abstract equates to agreement that a presentation (poster if not oral) will be given at the conference.
- **Length:** 100-500 words, one paragraph
- **File format:** Word (no PDF)
- **Margins:** 1" top, bottom, left, and right
